Los Angeles, CA 90012

Dear Supervisors:

FIVE-YEAR LEASE AMENDMENT – OFFICE OF THE ASSESSOR 6120 BRISTOL PARKWAY, CULVER CITY (SECOND DISTRICT) (3 VOTES)

SUBJECT

This recommendation is for a five-year lease amendment for 30,507 rentable square feet for the Office of the Assessor (Assessor) to provide continued use of existing office space and 120 parking spaces.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed lease is categorically exempt from the provisions of the California Environmental Quality Act pursuant to Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board, per Section 15301 of the State of California Environmental Quality Act Guidelines (Existing Facilities).
2. Approve and instruct the Chair to sign a five-year lease amendment with Fox Hills Business Park, LP (Landlord) for the Office of the Assessor to occupy 30,507 rentable square feet of office space and 120 parking spaces located at 6120 Bristol Parkway, Culver City, at an annual first year cost of \$604,044. The program is approximately 42 percent offset from other governmental entities, and 58 percent is net County cost.
3. Authorize the Chief Executive Office, Internal Services Department, and the Office of the Assessor to implement the project. The lease will be effective upon approval by your Board.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Assessor has occupied the facility since April 17, 2000. The current lease expired on April 16, 2010, and is currently on a month-to-month holdover basis. The facility houses the West District Office, one of four district offices of the Assessor. The Assessor also has a downtown Los Angeles headquarters, one regional office and a satellite location. The district offices are responsible for assessing and maintaining records for residential, commercial, industrial buildings and businesses within their geographical boundaries. The Assessor is a direct service program providing public services to taxpayers such as information regarding property tax issues for both residential and commercial properties. The office has frequent visits from taxpayers in need of assistance with interpretation of the Revenue and Taxation Code and questions related to assessments, real property, as well as personal property tax bills.

The facility adequately meets the space needs of the Assessor serving the western portion of the County at this location. The facility is freeway accessible and near bus routes. The office accommodates 160 employees. The program was approved for 32,868 square feet; however, the County was only able to renew the existing 30,507 square feet facility due to budgetary considerations. The proposed renewal will eliminate the need to relocate the program to another facility, thus reducing costs for Tenant Improvements (TI), furniture, telecommunications and low voltage requirements. The proposed amendment will provide adequate office space and parking for the continued uninterrupted operation of the program.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we maximize the effectiveness of processes, structure, and operations to support timely delivery of customer-oriented and efficient public services (Goal 1). In this case, the County is supporting the goal by providing an office in the community it serves, to increase effectiveness and enhance customer service, providing easy access to quality information and responsive services to the public.

FISCAL IMPACT/FINANCING

The proposed amendment will provide the Assessor the continued use of 30,507 square feet of office space and 120 onsite parking spaces for \$50,337 per month, or \$604,044 annually.

* County pays utilities which based on fiscal year 2008/2009 records cost \$2.95/sq.ft. annually, or \$90,138.

This is a modified-gross lease whereby the Landlord is responsible for all operating costs associated with the County's occupancy, less utilities. A rental reduction of approximately \$40,000 per year was negotiated on behalf of the County for the proposed amendment which also includes a provision for new paint and minor improvements.

Sufficient funding for the proposed lease costs is included in the proposed 2009-10 Rent Expense budget and will be billed back to the Assessor. The Assessor has sufficient funding in its 2009-10 operating budget to cover the projected lease costs. The Assessor is a revenue generating department, and pursuant to SB 2557, administrative expenses incurred by the Assessor which are allocable to cities and special districts are reimbursable from those entities. The Assessor indicates that about 42 percent of the costs associated with the subject lease will be offset. Costs associated with the proposed lease amendment will be 58 percent net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed five-year lease amendment will provide 30,507 square feet of office space and 120 parking spaces. The proposed lease amendment contains the following provisions.

- A five-year term commencing upon Board approval.
- A modified-gross basis with the Landlord responsible for all operating and maintenance costs, except utilities.
- A base TI provision providing new paint and minor improvements included in the base rent.
- A cancellation provision allowing the County to cancel any time after 48 months with 150 days prior written notice.
- Annual rental rate adjustments based upon CPI with a maximum increase of 4 percent per annum through the term of the lease.

The Chief Executive Office (CEO) Real Estate staff conducted a survey within the search area to determine the availability of comparable and more economical sites. Staff was unable to identify any sites in the surveyed area that could accommodate this requirement more economically. Based upon said survey, staff has established that the rental range for similar office space is between \$18.36 and \$27.00 per square foot per year on a modified-gross basis, including parking. Thus, the base annual rent of \$19.80 per square foot per year modified-gross, including parking, for the proposed lease represents a rate within the market range for the area. Attachment B shows County-owned or leased facilities in the proximity of the service area and there are no suitable County-owned or leased facilities available for the program.

The Department of Public Works has inspected this facility and found it suitable for the County's occupancy. Notification letters have been sent pursuant to Government Code Sections 25351 and 65402.

A child care center is not feasible for the department in the proposed lease premises.

ENVIRONMENTAL DOCUMENTATION

The CEO has concluded that this project is exempt from California Environmental Quality Act (CEQA) as specified in Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board, and Section 15301 of the State CEQA Guidelines (Existing Facilities).

Statistics. If the Index is discontinued or revised during the Term of this Lease, such other governmental Index or computation with which it is replaced shall be used in order to obtain substantially the same results as would be obtained if the Index had not been discontinued or revised.

C. Illustration of Formula. The formula for determining the new rent shall be as follows:

$$\frac{\text{New Index}}{\text{Base Index}} \times \$50,336.55 = \text{Adjusted Monthly Rent}$$

D. Limitations on CPI Adjustment. (i) In no event shall the monthly base Extended Term rent adjustment based upon the CPI Formula result in an annual increase greater than four percent (4%) per year of the monthly Base Extended Term Rent of \$50,336.55 (i.e., not greater than \$2,013.46 per month annually).

8. Paragraph 32, PREPARATION OF PREMISES, is hereby added as follows:

A. Lessee acknowledges that it is already in possession of the Premises pursuant to Lease No. 72440, and that Lessor shall be deemed to have delivered possession of the Premises to Lessee on the Extended Term Commencement Date in an "as-is" condition with no alterations or improvements being made by Lessor except the following:

Lessor shall, at Lessor's cost, following the Extended Term Commencement Date, perform the work more particularly described in **Exhibit A-1** attached hereto and incorporated herein by this reference (collectively, the " **Improvements**"). The Improvements shall be performed using Building standard materials, procedures and specifications, as set forth in Exhibit A-1 hereto. Lessor agrees to perform the interior related Improvements before 7:00 a.m. or after 5:00 p.m. Monday through Friday or on the weekends. Lessee hereby agrees to use its best efforts to cooperate with Lessor in connection with the construction of the Improvements. Notwithstanding the immediately preceding sentence, in connection with the performance of the Improvements, Lessor agrees to move, to the extent necessary, Lessee's furniture and such other items as Lessor may require be moved in order to perform the Improvements; provided, however, Lessee shall be required to move Lessee's computers, copiers and other personal property which Lessor or its contractor may request be moved. Notwithstanding the foregoing, Lessor shall use its commercially reasonable efforts to perform the Improvements in a manner so as to minimize unreasonable interference with Lessee's business at the Premises. Lessor shall endeavor to perform all work within three (3) months of approval of this Amendment by Lessee's Board of Supervisors, but in no event shall the work be completed later than nine (9) months after such approval of this Amendment by the Board of Supervisors.

9. HVAC STANDARDS: **Exhibit B-1** HVAC STANDARDS, is hereby added to this Lease, reflecting the Lessee's requirements for Heating, Ventilation and Air Conditioning. Lessor agrees to provide and maintain an HVAC system appropriate to the size of the facility, current occupancy level, and space layout.

10. Original Lease in Full Force. Notwithstanding anything to the contrary herein, all of the terms and conditions contained in the Lease, which are not modified by this Amendment shall remain in full force and effect. In the event of a conflict between the Lease and this Amendment, the terms of this Amendment shall control.

IN WITNESS WHEREOF this Amendment has been executed the day and year first above set forth.
